sadly.

One day Mrs. Iretii was going to work
because she was a teacher in MARY
memorial secondary school in akelo. She is
a very kind and friendly teacher.

One day Mr. Jejelola saw Mrs. Iretii with
a man named yemi, he is a friend of Mrs.
Iretii. As he saw that he was amazed and
thought that it was iretii's boyfriend. So
when jejelola and iretii got home, he
asked his wife who the man she was
talking to is. She replied and said the man
is her friend. Jejelola did not listen to his
wife to the extent that he started
beating her seriously till her face swelled

but their relative gave them one month to live together before separating.

When iretii got to work the following day she was unable to teach the students until she started vomiting, other teachers who saw her rushed to her to render a help and she was later taken to the hospital. She was treated after some minutes and was taken back. Jejelola was called and he rushed back home. When he got home his wife told him that she is pregnant. Iretii was so surprised with what jejelola said. He dealt with her decisively. The following day iretii was on bed blood was profusely coming out of her body she was rushed to the hospital and the doctors told her to abort the pregnancy or she will die. The pregnancy was later aborted. Iretii cried for days and weeks with no one to console her

except for her colleagues and students.
She later divorced after weeks.

(Months later)

Iretii began to misbehave; when she got to work she beat most students mercilessly and even if they did not commit an offence and this continued for a very long time.

(Five years later)

Iretii is now rich and was even preparing to get married to yemi who is a doctor. Iretii later migrated from being a teacher to a businesswoman which made her wealthier. Days went by until the day of iretii and yemi's wedding party. To their surprise jejelola was there planning to destroy the wedding party. As he signal to his boys to attack the policemen at the venue pointed a gun at them all and they

were taken to jail. After the wedding party between her and yemi, iretii thanked **GOD** for giving her a good and correct man. Weeks later it was discovered again that iretii is pregnant. She did an x-tray and result came out that she was carrying twins.

(Nine months later)

She delivered baby girls who were named temidun and moturayo. One day jejelola sent an invitation to yemi and iretii about his oncoming wedding party. On his wedding day his wife broke the record by denying him to marry her because he is very foolish and wicked. So jejelola was ashamed of himself. When yemi and his wife went to see jejelola they told him about their new born twins who were living happily. Jejelola regretted divorcing iretii who is a very

loving person. He begged iretii for forgiveness and he was forgiven but iretii told him it was too late that she can't marry him again.

(A month later)

Jejelola later met a woman who is suitable and fitted for him, her name is wura who is a doctor. She gave birth to a baby boy named tolu.

One faithful day iretii's prayers were answered by **GOD** when it was discovered again that she is pregnant. She later gave birth to a baby girl called ireoluwa. When they grew up and started going to school.

Years later they completed their secondary school education and university level. One faithful morning tolu the son of Jejelola's wife came to seek for ireoluwa

the daughter of yemi iretii's husband. He said that he wants to marry ireoluwa. Iretii told him to come back later for her to think about it. Then yemi called his daughter and told her about tolu's intention of marrying her. After some days they did the wedding party and left straight for Dubai. When they got there tolu started maltreating ireoluwa as his father did to her mother years ago.

One morning tolu went to work, ireoluwa called her sister who is not married. Her plan is to make money before marriage. she told her sister the whole story and her sister advised her to run away to another country so that people will blame tolu of leaving you alone.

Ireoluwa did as she was told and her plan was successful. She ran to the united kingdom. After she left people were

seriously in search of her when tolu informed them that she has packed out. Tolu was arrested by iretii when he could not tell where ireoluwa. Suddenly after hours of searching ireoluwa called her mother and told her she will come back to Nigeria the following day.
