

## Super Babies

### EPISODE ONE

(In Mizz Island there was once a magnetic force that happened, and then everyone was able to escape the sparkling except a woman who was pregnant. The magnetic force was said to be electrical and eligible to give someone different superpowers). (After 9 months the woman gave birth to quadruplets but they were lost, they grew faster and faster when they discovered they had superpowers. Jane, the first, got a Flying super power. John, the second, got an electrical shock superpower. Jay, the third, got a Teleporting superpower. Jimmy, the last, got a super speed superpower). (They found themselves in a warehouse)

Jane: hey guys, check out something. (Flies in 360°)

Jimmy: wow, check mine. (Ran at 360°)

John: check mine too (electrocuted the roof of the ware house)

Jay: guys you will be surprised to see my own superpower.

(Disappeared from the front to the back)

Jimmy: wow guys, we're gonna be super heroes. Maybe we should call ourselves "The Super babies".

All: The Super Babies.

(Suddenly a giant snow monster eliminated the warehouse. They changed to their hero suite and stayed in their action mode).

Giant: oh is this the babies that are superheroes.

John: yeah what do you want?

Giant: (gives Jimmy a super kick)

John: (angrily gives the giant an electric shock)

Super Babies

Giant: (wants to give Jane a double-hand Punch)

Jimmy: Jane, watch out

Jane: (Flew away to escape the punch)

Jay: (Teleported to the back of the giant and gave him a super punch)

John: (gather his two hands together to form a round electric shock and threw it on the Giant)

Giant: (dizzy and later fell down)

All babies: yeah, we did it.

(The news broadcasters were around and the prison Officers came and took the snow monster to jail)

Journalist: you are welcome to news 24 "super babies"

Babies: (lied) thanks but sir we need to go for a mission

(The babies went somewhere and found a cave so they slept there till the next day)(They went in search of scrap materials, then they built things like a secret underground cave that has technological materials, they built an Electrical patrol vehicle so that they can go anywhere, after much day of resting, they heard an emergency alarm, then they went to the crime destination). (They saw a man dressed like a thief and he was actually a thief).

Thief: oh, look who's here.

Babies: (action mode) yeah "The super Ba

Thief: (cuts in) shurup you babies, what can you do for me.

Super Babies

John: oh, you really wanna know what we can do.

Thief: yeah

Jane: super babies let's show him what we can do

Babies: (all went to attack the thief)

Thief: (straightens his hand to the front then a guide removes)

Babies: (All fell down)

Jimmy: (Stands up and ran around the thief at 360°)

Jay: (teleported to the front of the thief and he gave him a super punch)

John: Jimmy stop I want to electrocute him

Jimmy: (stopped)

John: (gather his two hands together to form a round electric shock and threw it on the Giant)

Thief: (dizzy and later fell down)

All babies: yeah, we did it.

(They all went back to their cave).
